EXCEED® Superior Legume Inoculant Soybeans

Bag Tag for Bulk Seed

This seed has been inoculated with Exceed® Superior Legume Inoculant for Soybeans from Visjon Biologics.

This seed was inoculated on _____

By: _____
(company name and authorized agent)

Other product(s) applied: Date applied:

_____ _____

_____ _____

If the seed is not planted within the appropriate timeframes, re-inoculate the seed prior to planting. Severe conditions (drought, hot soils, flooding) may affect the the ability of the plant to nodulate. Visjon Biologics makes no warranties or guarantees, expressed or implied, as to the effectiveness of the treatment. Visjon Biologics must be notified of any field complaints with 50 days of planting.

The Lot # of Exceed® Superior Legume Inoculant for Soybeans used was:
